## Words of the Holy Father

*"To believe in him, it is not enough to meet Jesus, it is not enough to read the Bible, the Gospel - this is important! But it is not enough... So many people were in close contact with Jesus and they did not believe. In fact, they even despised and condemned him. And I ask myself, why this? ... This happened because their hearts were closed to the action of God's Spirit. If your heart is always closed, faith doesn't enter! Instead, God the Father draws us to Jesus: it is we who open or close our hearts. Faith, like a seed deep in the heart, blossoms when we let the Father draw us to Jesus..." Pope Francis*
